Δ	1

1) Record Observations

Time:	D/I:	Note:	Att. Code:	<u></u>	☆
1:41	SD-2	New patron was working on more complicated embroidery project and was able to fiddle with the hooping to make it work	Wed		
1:45	MC-2	Patron chatted with me about their wedding and how they chose a specific photo to include in their embroidery design	Wed		
l:5l	DC-I	Regular patron has been making great progress on a bag project using the sewing and embroidery machines. They started off unsure, but kept up with it to finish the project.			
l:5l	MC-I	Lot of vinyl work today and great to see the regular patrons helping new patrons with their designs and set ups!
